

2008 CAPE COD DAYSAILER CIRCUIT

NOTICE OF SERIES

MISSION

The purpose of this circuit is to promote Daysailer sailing/racing, inter-fleet camaraderie, and strengthen the Daysailer fleets at Stage Harbor Yacht Club, Chatham Yacht Club, and Orleans Yacht Club. Each fleet will make every effort to support all three regattas and send three of its own fleet boats to the other two away (across town) regattas.

REGATTAS

The circuit consists of three regattas on the outer cape: The Stage Harbor Yacht Club Daysailer Regatta on Sunday July 6th, the Orleans Yacht Club Regatta on Sunday July 20th, and day one of the Chatham Yacht Club Regatta on Saturday August 2nd.

SAILS

All boats should use the same sail numbers on their sails for the entire series. If a competitor changes sail number during the series they must notify the circuit organizer of the sail number change.

SCORING

Overall 2008 Cape Cod Daysailer Circuit scoring will be based on the total score of all scheduled races at the three regatta days minus one throwout race. Races must be held at least two of the three scheduled regattas to constitute a series.

TROPHIES

Prizes will be awarded to the top three finishers for the circuit. The Club Trophy will be awarded to the club with the greatest participation in the circuit.
